Hello!

Welcome to Blue Whale Creative. We specialise in graphic design, branding and communication solutions that get real results.

We take a straightforward, no-nonsense approach: no jargon, no buzzwords – just creative excellence with refreshingly fair pricing.

We have over 30 years' experience working on award-winning campaigns for major advertising agencies and organisations, as well as helping start-ups and SMEs with their marketing.

“ We have worked closely with Norman since 2019. I have found him to be dedicated and conscientious towards his work, as well as being an expert in his field.

Norman not only brings experience and competence, but a creative flair, energy and ideas to new initiatives.

His manner is always welcoming, and he is respected and well liked across every part of our operation.”

“ Norman at Blue Whale Creative delivered exceptional work, producing eye-catching visuals that exceeded our expectations. We were delighted with both his work and his supportive, professional, yet friendly approach. His eagerness to grasp the project's requirements, coupled with his creativity, technical proficiency, outstanding support, and prompt service, make him an invaluable asset to any project. ”

“Blue Whale Creative worked closely with us from the inception of the PFA NI, creating our brand identity, social media strategy and website graphics, as well as writing our press releases and scripts for our informational videos.

Both their quality of work and service are excellent. Blue Whale handle our ongoing marketing and PR, and help with the many different services we offer our members. They've become an invaluable partner to the PFA NI.”
